

"Education" will serve as our master initiative.

The Presidential Charity Project: Elite LEAD Academy

Education is the most powerful weapon which you can use to change the world

- Nelson Mandela

From the Desk of Communication Manager

My Dear 41er Friends,

Warm greetings to each of you! It is a privilege to present the 5th edition of the 41 Communiqué for the 2026–27 term, marking the 17th publication of my 2025–28 tenure.

In this edition, **Robert Lerch, President of 41 INTERNATIONAL**, concludes his compelling three-part series on the Presidential theme, "Let's Build Our Future." When reviewed holistically across our recent editions, the full breadth of his vision becomes clear - remarkable both for its expansive scope and its practical simplicity. I encourage every member and club to identify an initiative within this framework, take ownership, and actively contribute to making our world a better place while celebrating the core values of our fellowship.

At 41 India AGM

This month's Communiqué serves as a virtual journey "Around the World in 30 Days." President Robert guides us through his recent travels to **Zambia, South Africa, and Italy** while VP Nico shares insights from his visits to **Nepal, Sri Lanka, and India**, while Fabian and Pascal offer regional highlights from **France and Switzerland**, respectively. This apart, there events from **Morocco, GB&I, Cyprus, France and Nepal** covered. This immense global activity underscores the unique beauty of the Round Table Family: it provides us with an endless network of global friends, unlocking unparalleled opportunities to connect, discover, and build lifelong bonds.

On a personal note, I recently had the honor of attending the **AGM of my home country, India**. Immersing myself in the vibrant synergy of 41ers, Tangents, Tablers, and Circlers from every corner of the nation, as well as esteemed international delegates, offered a profound sense of reinvigoration for the mind, body, and soul.

Please enjoy exploring this edition of the Communiqué, and kindly circulate it among your local 41 clubs and in the Round Table Family.

As always, I remain eager to receive your local updates for future features. **Capture the moment, document the impact, and share your journey with us.** Let your local achievements inspire our international community - one photograph and one story at a time.

President's Message

Robert Lerch

Dear fellow 41ers, Tablers and Friends,

We are right in the middle of the second major AGM travel season of our 41 INTERNATIONAL year – and once again, it shows how alive and connected our international family is.

During August and September, we have already travelled to the AGMs in Malawi, Botswana, Zambia and South Africa. While I am attending the RTI/LCI World Meeting and AGM in Piacenza, Italy, with more than 1,700 participants from around 60 countries, our Vice President Nico is travelling to the AGMs in Sri Lanka, Nepal, India and Hungary. I will also have the pleasure of joining our friends from Agora Club International at their AGM in Rotterdam. In October we will meet at the AGM's in Switzerland and Malta before it gets a bit more quiet towards the end of the year.

These meetings are a wonderful example of what Side-by-Side really means: meeting friends from across the Round Table Family, sharing ideas and experiences, and strengthening our connections across organisations and borders.

And one thing becomes very clear: it is worth travelling!

Every AGM brings new friendships, new ideas and new perspectives. No online meeting can replace the experience of sitting together, celebrating together and experiencing the friendship of our international family in person. So, if you have never visited an AGM outside your own country, give it a try – I am sure you will return home with more friends than you had before.

Our next highlight is already around the corner, while you are reading this edition of the Communiqué we are at the 41 INTERNATIONAL HYM together with Tangent Club International in Finland from October 1-4, 2026. Our meeting on board the Viking Gabriella, travelling between Helsinki and Stockholm, is certainly a very special Side-by-Side experience. I am looking forward to seeing many of you there!

In this edition of the Communiqué, you will also find Part 3 of my strategy for the coming years of 41 INTERNATIONAL. Our future depends on strengthening our Association, creating value for our members and national associations, and making the best possible use of the enormous international network and experience we already have.

These weeks of travelling remind us exactly what this network means. We have friends all over the world, strong connections throughout the Round Table Family and countless opportunities to meet, exchange ideas and create something together.

So, travel when you can. Visit an AGM. Meet old friends and make new ones. Live Side-by-Side.

Enjoy reading this edition of the Communiqué – and I hope to meet many of you somewhere in the 41 world very soon!

Yours in Tabling and Sincere Friendship

Robert

President

41 INTERNATIONAL 2026–2027

President's Theme – Let's Build Our Future

(Part 3 of 3)

Dear 41 friends

It's a privilege to share my Presidential theme and vision "Let's Build Our Future" with you. I present to you part 3 of a 3 part series to outline my vision on the master initiative - Education.

I thank you for your attention to part 1 & 2 that was presented in the 41 Communique dated Aug 1 & Sept 2026.

My objective is to strengthen 41 INTERNATIONAL as a modern, globally connected organization that creates value for every member while supporting its National Associations and developing future generations of leaders. This strategic vision is built upon the House of Excellence model, which provides the framework for sustainable growth, strong governance, and organizational excellence.

The Presidential Charity Project: Elite LEAD Academy

Education is the most powerful weapon which you can use to change the world - Nelson Mandela

"Education" will serve as our master initiative. I have chosen a cause deeply aligned with this goal for my Presidential Charity project: the Elite LEAD Academy. The school is located in Riat, Kisumu, Kenya, serving children in the local community with early childhood care, primary schooling, and basic nutrition programs.

- **The Legacy:** The "School of Hope" has been a renowned Round Table and 41er Project since 2008. The Elite LEAD Academy is the successor project to the "School of Hope" in Kisumu, Kenya. We are continuing the spirit of the "School of Hope" and taking it to the next level
- **The Mission:** Operating as a registered trust with the Kenyan Government, the academy focuses on early childhood education for children 3 to 8 years old, covering Kindergarten and primary levels. Operating under the slogan "Impart, Empower & Impact" seen in their logo, the academy functions as a daycare and educational facility focused on child development and leadership.
- **The Future:** It is not just a school; it is a practical academy offering internships and on-the-job training aligned with Kenya's Competency-Based-Curriculum (CBC) to train the teachers of tomorrow.
- **International Support:** The campus is funded and sustained through international social partnerships, most notably by Old Tablers Germany (Old Tablers Deutschland) alongside community donations from local non-profits

President's Theme – Let's Build Our Future

contd...

How Can We Amplify Our Impact?

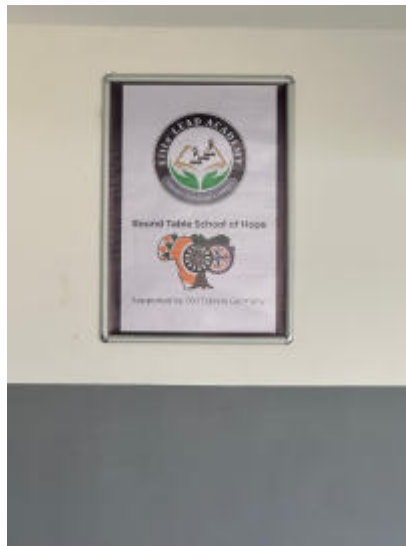

Building on the support of Tablers Deutschland, together with contributions from local non-profit organisations and community partners, we now have the opportunity to take this initiative to the next level.

I call upon all 41 Clubs and 41ers across the world to join us, participate and become active partners in this initiative. Together, we can develop it into a sustainable and inspiring model of educational support - one that gives children not only access to education, but also the opportunity, confidence and support they need to achieve their full potential.

The Presidential Year 2026 - 2027 is about Continuity with Purpose. It challenges us to move beyond one-time or purely transactional donations and towards meaningful, structured and sustainable partnerships.

Our international fellowship can amplify the impact of this initiative by contributing through different pathways: financial support, long-term partnerships, professional expertise, mentoring, educational resources, international connections and the active involvement of our Clubs and members.

Every Club can contribute in its own way. What matters is that we combine our strengths and transform individual acts of generosity into collective and lasting impact.

President's Theme – Let's Build Our Future*contd...***Building Our Future Through Education**

Education is the key to our future and should become a defining initiative and a strong global identity of the Round Table Family. It is through education that we empower young people, strengthen communities and create opportunities that can last for generations.

The Elite Lead Academy is one example of how we can bring this commitment to life. It demonstrates how our values, our international fellowship and our willingness to serve can be transformed into meaningful and sustainable action. But it should not stand alone. It can inspire many more initiatives across our global network, adapted to the needs of our local communities and united by a common purpose.

Let us build our future together. Let us use the strength of our fellowship to open doors, develop potential and give the next generation the confidence to shape their own future.

The presidential year 2026–2027 represents continuity with purpose. Together we will strengthen our fellowship, expand our global impact and ensure that our association continues to grow with confidence and vision.

Robert Lerch

President 2026 – 2027

41 INTERNATIONAL a.s.b.l.

The Unified Code Of Conduct - Round Table Family

Dear 41 friends

Please find attached the unified Code of Conduct signed by the Presidents of the 5 Associations of the Round Table Family in Piacenza on Sept 17, 2026.

This essential agreement establishes a shared commitment to fostering a safe, respectful, and inclusive environment across all global meetings and online spaces.

By outlining core behaviors - such as zero tolerance for discrimination and positive brand representation - it ensures our foundational values of friendship and fun are protected

Looking forward to celebrating friendship in many years to come

Robert

President 2026-27

Club 41 International

Code of Conduct

For all members of the Round Table Family

Purpose

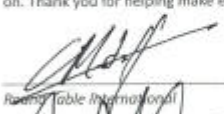

The Round Table family — Round Table International, Ladies' Circle International, Tangent Club International, Club 41 International and Agora Club International — brings members together to have a good time, build friendships, and make wonderful memories, always in a safe and respectful environment. Our organizations are brands we are proud to belong to, and every member shares responsibility for promoting them in a positive light, at meetings, events, online, and anywhere we represent the family.

Code of conduct

- Treat others as you would like to be treated
- Don't bully, be offensive or threatening to anybody, neither with actions nor words.
- Offer help if you see someone in difficulty, or make sure they get the help they need.
- No discrimination based on sex, race, or religion is tolerated.
- "No" means "No".
- Uphold the local laws and regulations.
- Be respectful of the culture of the hosting association.
- End unacceptable behavior if you witness it and speak up.
- Apologize if you make a mistake — nobody is perfect.
- Consider if your raid is in good faith, the spirit of friendship, and the guidelines.
- Members enjoy fun and jokes, but never at the expense of others.
- Don't gossip or spread unverified claims about another member.
- Represent the family positively in public and on social media.

Together

We are proud of your commitment to ensuring we all enjoy the friendship, fun, and memories the Round Table family is built on. Thank you for helping make every meeting and event one that everyone feels good being part of.

Piacenza, September 17th, 2026

President's Travel Report - Italy

Robert Lerch President

Visit to the AGM Worldmeeting side-by-side RTI and LCI

Piacenza, Italy September 16th - 20th 2026

Side by Side - A Strong Sign for Our Round Table Family

I had the great pleasure of attending the RTI and LCI World Meeting in Piacenza, Italy, representing 41 INTERNATIONAL and joining friends from across our worldwide Round Table Family.

And this World Meeting was a very special one: for the first time, Round Table International and Ladies' Circle International celebrated their World Meetings and AGMs truly Side by Side.

Around 1,700 Tablers and Circlers from 60 nations came together in the beautiful city of Piacenza. What an impressive demonstration of the strength, diversity and international friendship of our Family!

Piacenza was a fantastic location for such a gathering. Except for Nations Night and the Gala Evening, both held at the Expo Hall, almost all activities took place directly in the historic city centre. This created a wonderful atmosphere, with Tablers and Circlers visible throughout the city and plenty of opportunities to meet old friends, make new ones and simply enjoy fellowship together.

The AGM venues themselves were outstanding. Ladies' Circle International held its AGM in the beautiful Teatro Municipale, while the RTI AGM took place in the historic Palazzo Gotico – two impressive settings for two important international meetings.

For me, however, Piacenza was about much more than meetings and celebrations. It was another strong example of what we can achieve when the organisations of our Round Table Family work closely together.

President's Travel Report - Italy

contd...

“Side by Side” should not only describe how we organise an event. It should describe how we see our future: respecting the individual identity and traditions of each association while strengthening our friendship, communication and cooperation wherever it makes sense.

A particularly important milestone in Piacenza was the signing of a joint Code of Conduct by all five international associations of the Round Table Family – RTI, LCI, 41 INTERNATIONAL, Tangent International and Agora Club International. For the first time, all five associations committed themselves together to a common Code of Conduct. This is much more than a signature on a document. It is a strong symbol of our shared values, mutual respect and our commitment to creating a safe, respectful and welcoming environment throughout our international Family.

As President of 41 INTERNATIONAL, I strongly believe that our organisations have enormous potential when we connect the generations of our Family. Round Table and Ladies’ Circle represent the foundation and future of our movement, while 41 INTERNATIONAL, Tangent and Agora continue the friendships, values and commitment built over many years. Together, we create something truly unique.

Piacenza was also a weekend of transition. My sincere thanks go to outgoing RTI President Chris Mintoff from Malta and LCI President Liza Manestam from Sweden for their leadership, friendship and dedication to our international Family.

At the same time, I warmly congratulate the new Presidents, Nadeem Kumarasinghe from Sri Lanka for Round Table International and Aurélie Tuil from France for Ladies’ Circle International. I am very much looking forward to working with both during the coming year.

Congratulations also to the newly elected Vice Presidents, Adam Fitt from RTBI for RTI and Barbara Van den Bosch from Belgium for LCI. I wish them every success in their new responsibilities.

President's Travel Report - Italy

contd...

I returned from Piacenza with many wonderful memories, but also with a very clear message: our Round Table Family is strong when we meet, communicate and work together.

We have different organisations, same traditions coming from different generations – but we share friendship, values and a common history.

Side by Side, we can build our future together.

Yours in Tabling & Continued Friendship

Robert

President 2026/2027 41 INTERNATIONAL a.s.b.l.

Let's build our future

President's Travel Report - Southern Africa

Visit to the AGM of 41ers Association of Southern Africa, Badplaas

September 3rd - 6th 2026

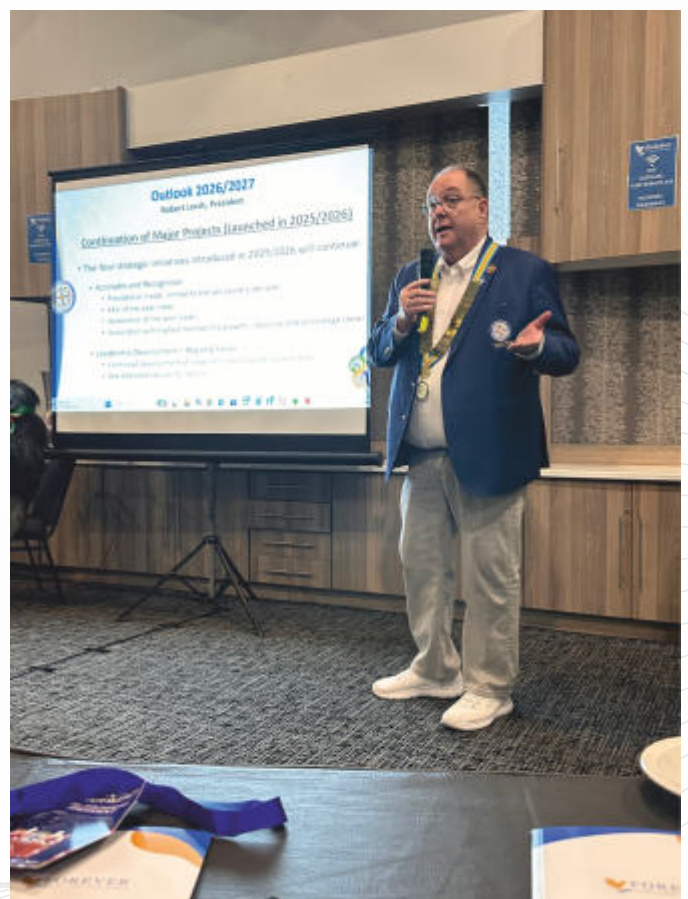

Friendship, Fellowship and New Memories in South Africa

After the amazing tours through Botswana and Zambia in August, we spent a few wonderful days in Pretoria, where we were warmly home hosted by Dellorin Bornman, IPP & IRO of the 41ers Association of Southern Africa and his wife Marlinda.

After we learned a lot about Pretoria including a site visit to the venues of the 2028 41 International AGM, we travelled a little over three hours east on Thursday to Badplaas. The beautiful Forever Resort was the venue for this year's National AGM and the perfect setting for another unforgettable weekend of friendship.

As tradition demands in South Africa, the weekend started on Thursday evening with a proper Braai. It was wonderful to meet so many old friends again and especially to welcome the participants of the YAP Tour South Africa 2026, which traditionally concludes at the National AGM.

Friday gave us the opportunity to explore the impressive surroundings of the resort during a Game Drive before everybody prepared for the evening's Welcome Party. Under the theme "Beach Party", we enjoyed a great outdoor evening - although at only 14°C, it certainly required some imagination to create a true South African beach feeling! Nevertheless, the atmosphere, friendship and laughter kept everyone warm.

President's Travel Report - Southern Africa

contd...

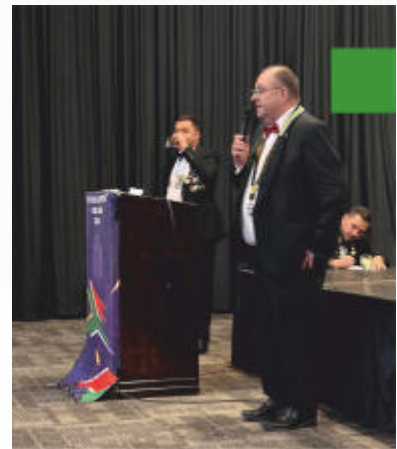

Saturday was dedicated to the Delegates' Meeting and the official business of the Association at its 56th assembly. One of the highlights was the presentation by the YAP participants about their impressive 14-day journey through South Africa, sharing their experiences and memories from a programme that once again demonstrated the unique value of our international family.

I had the opportunity to present the Strategy and Vision of 41 INTERNATIONAL, sharing our ideas about the future of our organisation and this year's motto "Let's build our future." It was equally important to see the strong bonds within the Round Table Family reflected through greetings from Round Table Southern Africa, Ladies Circle South Africa and Agora Club International.

The meeting also included the elections of the new leadership and set the direction for the year ahead.

The new board members for 2026/2027 are:

President:	Altus Delpoit
Vice-President:	Gareth Gray-Browne
IRO & Past President:	Jan Nel
Vice-President Elect:	David Costine
Treasurer:	Jonathan Tanner
Secretary:	Geoffrey Bower

The weekend was truly international, with friends joining from Austria, The Netherlands, Germany, Norway and Botswana, once again demonstrating that friendship within 41 INTERNATIONAL knows no borders.

President's Travel Report - Southern Africa

contd...

Saturday evening brought everyone together for a wonderful Gala Dinner. Numerous awards and honours were presented in recognition of outstanding commitment and service, followed by the official handover to the newly elected Board. It was a festive and emotional conclusion to an excellent AGM weekend.

The Presidential Medal of Honour was awarded to *Gareth Gray-Browne* for his dedication and ideas driving the national association towards a fruitful future.

When it was time to say goodbye, we left Badplaas with exactly what such weekends are all about: many new memories, strengthened friendships and the feeling of being part of one worldwide family.

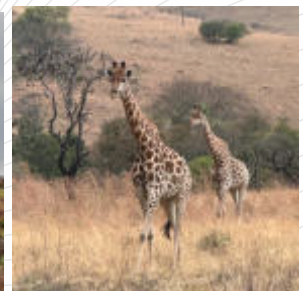

My sincere thanks to Dellorin, IPP Jan and the entire 41ers Association of Southern Africa and everyone involved for the wonderful hospitality and friendship.

Yours in Continued Friendship & Yours in Table

Robert Lerch

President 41 INTERNATIONAL 2026/2027

Let's build our future.

President's Travel Report - AGM Zambia

Visit to the AGM of Club 41 Zambia, Siavonga
August 28th – 30th 2026

Celebrating 25 Years of Friendship - Club 41 Zambia AGM

After a wonderful week in Zambia, including several days in Lusaka filled with inspiring meetings and, above all, the joy of spending time with many good friends, we travelled approximately four hours south to Siavonga on Friday, 28 August.

The Lake Kariba Inns, situated on the beautiful shores of Lake Kariba provided the perfect setting for a very special weekend: the National AGM and the celebration of the 25th Anniversary of Club 41 Zambia.

From the moment we arrived, we experienced the outstanding warmth and hospitality of our Zambian friends. The weekend started with a fantastic Welcome Party under the theme “White & Silver” - a perfect choice for a Silver Jubilee and a wonderful evening of friendship, laughter and fellowship.

The Delegates’ Meeting brought together members from across Zambia and several international guests, including representatives from Malawi Club 41, Franz Kettele, President of Club 41 Austria, and Tom Albrigtsen, Past President of 41 INTERNATIONAL. Wilhelm Rupflin from OT85 Ortenau, Germany and his wife Ursula participated at the Zambian AGM for 5 consecutive years.

President's Travel Report - AGM Zambia

contd...

It was particularly wonderful to see the wider Round Table Family so strongly represented. The complete Board of Ladies Circle Zambia including the IPP of Ladies Circle International Lisha Kufekisa joined the celebrations, together with representatives of Round Table Zambia, Tangent Zambia and Gabriella Lerch, Past President of Agora Club International. Their presence demonstrated once again the close friendship and strong bonds connecting our entire international family.

Following the official AGM business, we enjoyed a wonderful boat trip on Lake Kariba – a perfect opportunity to experience the magnificent surroundings while sharing conversations and friendship in a relaxed atmosphere.

The highlight was the festive 25th Anniversary Gala Evening, celebrating a quarter of a century of friendship, fellowship and commitment to Club 41 in Zambia.

The AGM also welcomed the new National Board, led by President Elijah Witola, together with Vice President Chishimba Kaela, Honorary Secretary Fred Matandiko, Honorary Treasurer Charles Bupe and IRO Moses Chisalanda. My sincere thanks also go to Immediate Past President Sterne Mwase for his dedication and service.

We wish Elijah and his entire team every success for the year ahead and look forward to continuing our close cooperation within 41 INTERNATIONAL and the Round Table Family.

President's Travel Report - AGM Zambia

contd...

For his dedication to the entire Round Table Family Zambia and his vision of developing 41 Club Zambia for the future, incoming President *Elijah Witola* was awarded with the *International Presidential Medal of Honour*.

On Sunday, it was time to say goodbye after a truly wonderful weekend surrounded by so many friends and proud 41ers. We left Siavonga with countless memories of friendship, hospitality and fellowship – and with another strong reminder of what makes our association so special.

Congratulations to Club 41 Zambia on 25 remarkable years. May the next 25 years bring continued friendship, growth and many unforgettable moments together.

Yours in Continued Friendship & Yours in Table

Robert Lerch

President 41 INTERNATIONAL 2026/2027

Let's build our future.

VP's Travel Dairy - Sri Lanka

VP's Travel Dairy
Colombo, Sri Lanka
Dates: 9–10 September

• Visit to Colombo

During my visit to Colombo, I met with Vivek Sundarlingam. I was treated to a sports massage, followed by lunch and a brief tour of Colombo.

Later, I attended a gathering hosted by Club 1. During the gathering, I had the opportunity to introduce the “President’s House of Excellence” theme and the “Building Our Future” motto.

• National Board Development

At their recent AGM, 41 Sri Lanka decided to establish a national board comprising three member clubs, with a total membership of 55 members.

Altuf was elected as President of the national board.

Further work is required to develop and finalize the appropriate rules and guidelines governing the national board and its activities.

• Evening Activities

Following the gathering, I visited a local bar with Vivek and Doshan, where we remained until approximately 02:00.

A taxi collected me at 05:00 and transported me to the airport for my onward journey.

• Departure

I departed Colombo for Nepal in the morning of 10 September, concluding my visit to Sri Lanka.

• Summary

The visit provided an opportunity to engage with members in Colombo, present the “President’s House of Excellence” theme and “Building Our Future” motto, and gain an update on the organizational development of 41 Sri Lanka.

VP's Travel Dairy - Sri Lanka

contd...

The decision to establish a national board representing three member clubs and 55 members is an important organizational development. The next step will be to support the preparation and adoption of rules and guidelines for the board.

Nico McNamara

Vice President 2026-27

VP's Travel Dairy - Nepal

VP's Travel Dairy

Nepal 10th–14th September

1. Arrival in Kathmandu

Upon arrival in Kathmandu, I was received by Arun

I subsequently met with Rajeev and Kalman Molnar from Hungary at the Holiday Inn hotel. We had lunch together at a nearby restaurant before stopping at Rajeev and Rashmi's apartment, where I was staying during my visit.

2. Visit to Biratnagar — 41 Club No. 4 and Tangent Club No. 1 AGMs

President Pankaj Jalan picked up Kalman and me to attend the Annual General Meetings of 41 Club No. 4 Biratnagar and Tangent Club No. 1.

We travelled by road before arriving at a truly magnificent hotel. I was honoured to be the Guest of Honour at both meetings.

Following the meetings, we joined the 41ers for dinner before making the return journey in the night

3. Cultural Visit and Hospitality

Rajeev arranged for a tour guide to accompany us on a day trip. We visited three temples and Patan, which proved to be an extremely interesting and informative experience.

On Friday evening, Rashmi kindly hosted us at their apartment.

On Saturday morning, we visited the local market before travelling to the AGM venue, the Lemon Tree Premier Hotel on the outskirts of Kathmandu.

4. Kathmandu AGM

The AGM commenced following the luncheon. Once again, I was honoured to be the Guest of Honour. The meeting followed the appropriate protocols, and all reports were presented and reviewed.

The organisation currently comprises:

- 5 member clubs
- 96 members

A significant part of the AGM was the induction of Arun Todi as President, which was attended by representatives of each of the RT family clubs.

New Office Bearers

- President: Arun Todi
- Vice President: Mahendra Agrawal
- IRO: Chandra Agrawal

All three are members of No. 4 Biratnagar.

VP's Travel Dairy - Nepal

contd...

5. HYM Venue Visits

On Sunday, I joined Surendra Golcha and four members to inspect three possible venues for the HYM:

1. Soultee
2. Royal Tulip
3. Yak and Yeti

Following these visits, I formed a WhatsApp group to coordinate and fast-track the planning process.

6. Final Evening in Kathmandu

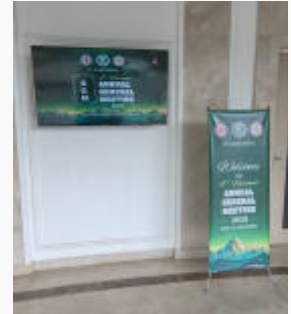

On Sunday evening, Rajeev and Rashmi kindly took me to visit Thamel. We enjoyed the evening and had dinner at one of the area's popular restaurants.

7. Overall Visit

The visit provided an excellent opportunity to meet members, attend the AGMs, participate in the induction of new office bearers, review potential HYM venues and strengthen relationships within the RT family.

The hospitality extended by Rajeev, Rashmi, Pankaj Jalan, Surendra Golcha and the other members was greatly appreciated.

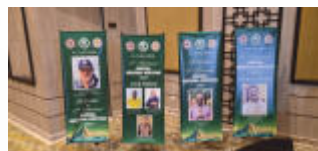

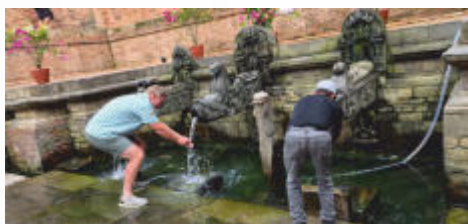

The visit also provided valuable insight into the current organisation of the clubs, their membership, and the preparations required for the HYM. The WhatsApp coordination group should assist in maintaining momentum and ensuring that outstanding matters are addressed promptly.

Nico McNamara

Vice President 2026-27

VP's Travel Dairy - India Visit

VP's Travel Dairy

India Visit / AGM 41 India report

14th–21st September

14 September – Arrival in Delhi

Upon arrival at the airport, I was met by PP Harsh Sehgal and VP elect Rajesh Luthra, who accompanied me into Delhi. I stayed with Harsh and Renuka during my time in the city.

Later that afternoon, I was collected by Cooler, who took me on a short sightseeing tour of the immediate area. In the evening, I visited Ajit's home, where I was taken for a beautiful walk through the community in which they live.

I was then warmly hosted at Ajit and Pranav's home, where I had the opportunity to meet several members of the local clubs, including five members of Round Table 24. We exchanged gifts and enjoyed a very pleasant evening of fellowship.

15 September – Delhi Sightseeing

The following morning, I was collected from Harsh's home and travelled into central Delhi. Accompanied by one of Harsh's employees, I was given a tour of the city and visited several of its important buildings and landmarks, including India Gate and a temple complex.

That evening, Rajesh and Sanjeev hosted me at a local restaurant before I returned to Harsh's home.

VP's Travel Dairy - India Visit*contd...***16 September - Arrival in Bhubaneswar**

Early in the morning, I travelled to the airport and departed for Bhubaneswar. On arrival, I was warmly welcomed at the airport by Pompy. I also met another 41er, who happened to have been travelling on the same flight.

Pompy and I enjoyed a quick lunch at the local club before I was transported to BK and Jyoti's home, where I was hosted for two nights.

That evening, we enjoyed a wonderful supper together and continued getting to know one another.

17 September - Countryside Excursion and Welcome Evening

The morning was relaxed before Raja and I drove towards Konark. During the journey, we had the opportunity to experience the beautiful Indian countryside and visit a large temple dedicated to the Sun God.

The excursion was a wonderful opportunity to see more of India away from the cities and to experience the countryside and local surroundings.

That evening, an informal welcome party was held for guests arriving early for the AGM. The event took place at a club close to the hotel where the AGM was being held. We enjoyed excellent food and fellowship and had the opportunity to meet several 41ers, Round Table members and other guests attending the AGM. It was another wonderful evening.

18 September - AGM Activities and Red & Black Party

I had a relaxed start to the morning before travelling to the Mayfair Hotel and Sanctuary on the outskirts of Bhubaneswar. The hotel and surrounding complex were extremely impressive.

After lunch, I joined Pompy for his afternoon meetings.

That evening, the Red & Black Party was held at a conference venue in Bhubaneswar. Once again, there was excellent food, great fellowship, good company and wonderful music. We travelled by bus through the city to the venue and were able to see the city beautifully illuminated for a local festival. The extensive lighting throughout Bhubaneswar made the journey particularly impressive.

VP's Travel Dairy - India Visit

contd...

19 September – AGM and Board Induction

On Saturday morning, I attended the AGM in the meeting venue at Mayfair. The conference hall had been set up on a very large and grand scale and was extremely impressive.

The meeting started somewhat later than planned as the required quorum was not initially achieved. Once proceedings began, the meeting continued until close to 5:00 p.m.

I presented the *41 International President's Award* to *Prashant Hebsur* for his dedication and convening of the FTDE project in India for 2026.

Following a short break, we moved into an adjoining conference room for the evening's formal proceedings. The room had been spectacularly prepared, with a huge stage and extensive lighting.

All members were seated before we were escorted into the room as VIP guests. The induction and preparation of the new board then took place.

During the evening, I had the opportunity to see Pompy deliver his outgoing speech.

The Presidential Medal of Honour was awarded to 41er Prashant Hebsur for his dedication and contribution to flawless execution of Freedom through Digital Education (FTDE) Projects in India

Incoming President announced his board and national council and convenors.

President - Vivek Mata

IPP - Bhupinder singh Chandok (Pompy)

Vice President - Rajesh Luthra

National Secretary - Y.V.Giri

Treasurer - Bharateesha

IRO - Kutub Nazeem

Editor: Vishal Sunda

The evening concluded with an amazing spread of food. We eventually left the venue at approximately 1:30 A.M., while many members were still dancing and enjoying the celebrations.

VP's Travel Dairy - India Visit*contd...***20 September – Farewells and Departure**

Sunday morning began early with breakfast and brunch with members who were departing throughout the day.

I also stopped by to meet the new President, Vivek Mata, at his first executive meeting, which was taking place at the hotel.

I remained at the hotel until approximately 5:00 p.m., when Pravin Ramburn accompanied me to the airport in Bhubaneswar.

My flight departed at approximately 9:40 p.m. for Delhi. On arrival in Delhi, I was met by Puneet Gupta, who kindly took me for a late-evening social drink and also brought some luggage to the airport for me.

21 September – Return to Europe

I departed Delhi at approximately 4:30 a.m. on an Emirates flight to Dubai and continued my journey to Austria, arriving in the afternoon at approximately 1:00 p.m.

On arrival, I was collected by Franz Kittler from Feldbach, bringing a wonderful and very memorable visit to India to a close.

Overall Reflections

The visit was an extremely enjoyable and memorable experience, combining fellowship, sightseeing, cultural experiences and participation in the AGM and associated events.

I was particularly impressed by the warmth and hospitality shown by everyone I met throughout the journey. The opportunity to experience both Delhi and Bhubaneswar, as well as the Indian countryside, provided a wonderful insight into the country and its people.

The AGM itself was very impressive, from the scale of the conference facilities to the organisation of the formal induction ceremony and the spectacular evening celebrations. The many opportunities to meet 41ers and Round Table members from different clubs made the visit especially rewarding.

I would like to express my sincere thanks to everyone who hosted me, transported me, spent time with me and made this visit so enjoyable. The hospitality, friendship and fellowship throughout the trip will remain among the highlights of my visit to India.

Euro Meeting In Alsace

An Unforgettable Weekend in Molsheim - Fabian

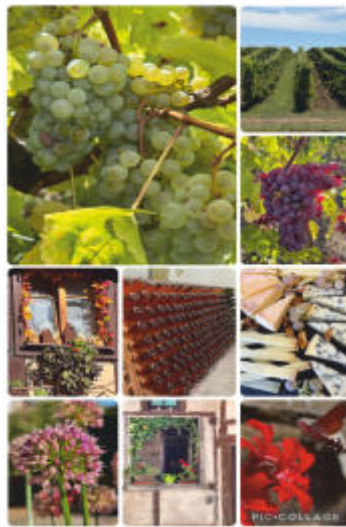

Under the motto “Amitié – Passion – Partage” – Friendship, Passion and Sharing, Club 41 Molsheim 250, France invited us to the Euromeeeting in Alsace from 5 to 7 September 2026.

Ulrike and I arrived on Thursday in our motorhome. After a short bike ride along the River Bruche, we ended the day with a relaxing barbecue. On Friday, a beautiful bike ride took us all the way to Obernai. Later, Christina and Mathias joined us with their campervan at the campsite. That evening, together with our Scottish friend Kevin, we enjoyed traditional Alsatian tarte flambée at the Auberge Vigneronne Winschutzer.

On Saturday, the four of us went on another short bike ride before meeting Kevin at La Metzsig for a snack and a few beers. The official Euromeeeting began that evening. OT 97 Burg Frankenstein, Germany was represented by Agnieszka and Peter, Christina and Mathias, Stefan, Ulrike and Fabian.

Together with our French hosts, Kevin from Club 41 Peterhead, Scotland, Martin and Joanne, and Mike and Valerie from Crewe & Nantwich 41 Club, GB&I, we travelled to the Château de Niedernai. After a long introduction to the history of the estate and a wine tasting, we spent a wonderful evening enjoying tarte flambée and many warm and lively conversations. While some guests stayed at the Hôtel Bugatti, Christina, Mathias, Ulrike and I returned to our motorhomes at the campsite.

On Sunday, we visited the Bugatti Festival, celebrating the 100th anniversary of the legendary Bugatti “Royale”. Afterwards, we travelled to Wangen, where we visited a small family-run winery. Over lunch, a wine tasting and a tour of the cellar and vineyards, we experienced the wine culture of Alsace at close quarters.

Eurometing In Alsace

contd...

The weekend concluded with a joyful evening at the Auberge de la Bruche in Dachstein, featuring delicious food, live music and an entertaining Bugatti quiz. There was plenty of laughter, storytelling and celebration.

On Monday, it was time to say goodbye. Christina and Mathias, as well as Ulrike and I, set off for home directly from the campsite. We looked back on some wonderful days filled with friendship, memorable experiences and many new memories made together.

Our heartfelt thanks go to Club 41 Molsheim for their excellent organisation and warm hospitality. The spirit of the weekend could be felt everywhere:

Amitié – Passion – Partage.

Next year, the Eurometing will take us to Scotland. We are already looking forward to seeing our friends again, sharing many new experiences and spending more unforgettable days together.

À bientôt – see you in Scotland!

New 41 International Website

BIG THINGS ARE HAPPENING AT 41 INTERNATIONAL!

The big moment is almost here – our website is getting a complete makeover!

New design. New look. New feel.

1

Modernes Corporate Design

Consistently according to the style guide: colors, logo, typography and swoosh graphics in a consistent look.

2

Faster access

Clear navigation to About, Events, News, Directory and Downloads – all at a glance.

3

Direct access to 41ER*WORLD

One Platform, One Family: Members can find contacts, news and events in one place.

4

Mobile-optimized

Responsive WordPress theme for optimal display on smartphone, tablet and desktop.

5

Networked with the Round Table Family

Direct link to Round Table, Agora, Ladies Circle and Tangent Club International.

Emblem & Wordmark

Compass emblem in blue and gold, combined with the wordmark "41 INTERNATIONAL – The Organisation for Ex-Tallers" in the header of each page.

Brand colours

Blue, Tealish-41, Sunset-41, Yellow

We've spent months tinkering, refining, and building behind the scenes – and the result is going to be worth the wait. Our digital home is becoming more modern, faster, and more connected to our worldwide 41 family than ever before.

Here's what's coming:

- A design that truly looks like 41 – our emblem, our colors, our style, carried through consistently
- Everything just a click away – events, news, directory and more, easier to find than ever
- 41ER.WORLD front and center – One Platform. One Family. Closer than ever to more than 42,000 members worldwide

Ready for any device – smartphone, tablet, or desktop, always looking sharp

The relaunch is coming – get ready!
More details soon. Stay tuned!

6,000 NEW MEMBERS ADDED – FRANCE

contd...

And our journey continues: we are already working together with the remaining associations to bring them on board and further expand our global network.

Welcome to our approximately 6,000 friends from France!

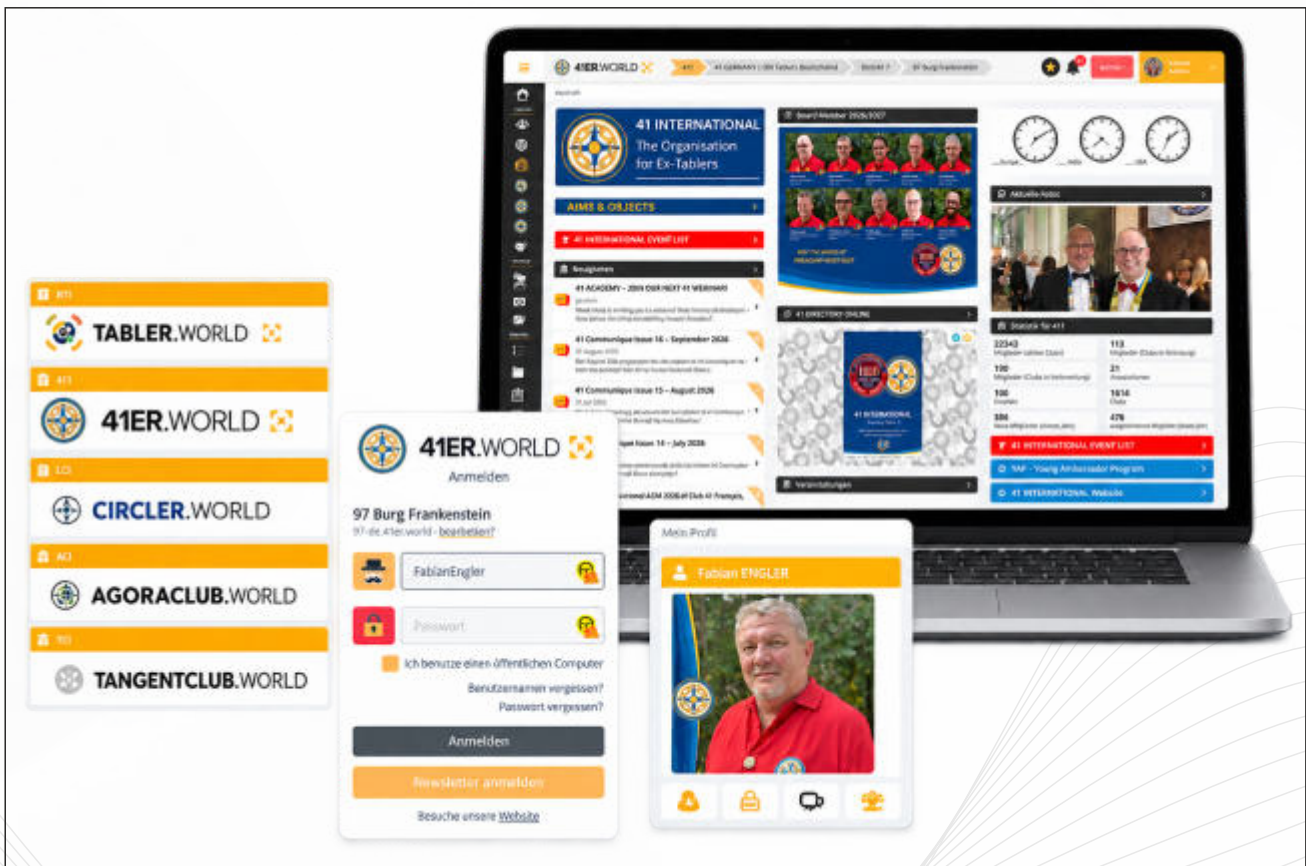

They can now benefit from the many opportunities offered by 41ER.WORLD - connecting with fellow members internationally, accessing information, news and events, and becoming part of an increasingly connected global 41 community.

And there is even more: through their integration into 41ER.WORLD, our French members can also gain access to the RT Family App, opening the door to networking across the entire Round Table Family worldwide.

Bienvenue, France!

Great to have you connected!

One Platform. One Family. One Global Future.

Nominate A Future Tabler

Nominate someone to join Round Table!

Do you know someone who would be a great fit for Round Table?

Sometimes, all it takes is a personal recommendation. Think about the young men in your network – friends, colleagues, neighbours, relatives or business contacts. Is there someone who shares the values of friendship, fellowship, personal development and making a difference?

Then introduce them to Round Table! Help grow Round Table around the world.

The RTI Prospect Manager makes it easy to recommend a potential new Tabler – wherever he lives. Simply talk to him first and, with his permission, submit his details through the Prospect Manager:

RTI Prospect Manager:

<https://join.roundtable.world/>

The information will be forwarded through the appropriate Round Table channels so that the relevant national association or local club can get in touch and introduce him to Round Table.

One recommendation can make a difference.

Every member of the Round Table Family has a network – and together, that network reaches thousands of potential future Tablers around the world. Maybe you already know someone who is simply waiting to be asked.

Think. Ask. Recommend.

The future of Round Table starts with all of us.

ROUNDTABLE

INTERNATIONAL

South Europe And Mediterranean Region (SEM)

Report by Pascal Mirlicourtois
Interim Chairman SEM

Dear friends

I am so delighted to address you through the Communique. Here is a small report of the launch of our new region.

Indeed while waiting to see each other in person in Finland, we had 2 zoom meetings. The first one was a presentation of the nine countries with their delegates' great participation and commitment.

Moreover our Director Isak attended our meeting and explained us the regional guidelines. The feedback was very positive.

During the second meeting, we decided to focus on 2 specific points:

1. Set up a great bond with the Round Table region - helping them to face their problem and improving the transition to the 41 club. We worked on the plan to organize a joint meeting in a central location in the near future.

2. We intend to provide assistance to the small countries in our region by listening to them to know what they are expecting from us, if needed.

Of course we talked about communication, service project, local seminar, local communique and website, exchange and twinning!

Let's do it step by step then it will be the key to success.

YI41

Mirlicourtois Pascal

SEM Interim Chairman

The Chairman Visiting Switzerland

During the 75th anniversary of Lausanne Round Table, I will create a great link between RT and 41 in the SEM region.

This is my program for the future.

Weekend In Swansea And Mumbles

GB&I 41 Club Walking Weekend in Swansea and Mumbles

By Steve James International Secretary

After arranging the first 41 Club Walking weekend in Pembrokeshire it was a pleasure to welcome people back to Wales for the 6th National walking weekend, an event that brought together 78 41 club and Tangent members including both National Presidents for a great walking weekend in the picturesque surroundings of Swansea and the Gower combining excellent company, stunning coastal scenery and plenty of fresh Welsh sea air. I had the pleasure of being assisted by members of the local Mumbles and Swansea 41 Clubs with Mumbles chair Richard leading 2 of the walks.

Over the course of the weekend, walkers explored some of the finest stretches of the Gower coastline, taking in spectacular views across Swansea Bay and enjoying the varied landscapes that make the area such a popular destination. The walks offered something for everyone, from challenging climbs and rugged coastal paths to more leisurely sections where members could pause to appreciate the scenery and capture photographs along the way.

Weekend In Swansea And Mumbles

contd...

30 people arrived early on Friday morning to complete a walk towards the picturesque Three Cliffs Bay and on Saturday the 78 left the hotel to walk 6 miles to the vibrant village of Mumbles renowned for its seafront charm, cafés and welcoming atmosphere, and a great place to grab lunch for those who continued walking a further 5 miles to Caswell Bay. On Sunday the typical Welsh weather prevailed with rain and fog but it did not deter around 35 walkers traipsing around the Oxwich point coast path.

Events such as this continue to highlight the value of bringing members together to enjoy exercise, fellowship and the opportunity to discover new parts of the country

Next years event will be held in Jersey which I have agreed to organise.

AGM - 41 Club Cyprus

A New Chapter, The Same Spirit of Friendship

On 5 September 2026, 41 Club Cyprus held its Annual General Meeting, marking the conclusion of another successful year and the beginning of a new chapter for the Club.

During the AGM, outgoing President Savvas Sarris presented his annual review before officially handing over the Presidency to Elias Kokkinos.

In his first address as President, Elias shared his vision and objectives for the year ahead, expressing his commitment to building on the work already done and continuing to strengthen the spirit of friendship, fellowship and service within 41 Club Cyprus.

The AGM was honoured by greetings from representatives of the organisations of the Round Table Family in Cyprus, highlighting once again the strong bonds and close cooperation that unite our organisations.

We were also delighted to welcome our very good friend Randolph, IRO of 41 Club Italy. His presence and warm greetings were greatly appreciated and provided another wonderful reminder that the 41 Club family knows no borders. Friendships created through Round Table and 41 Club continue to connect us across countries and generations.

AGM - 41 Club Cyprus *contd...*

A particularly meaningful part of the evening was the presence of Maria Ioannou, President of the Association for Children with Liver Diseases “George Psaras Round Table”, together with Magdalini Ioannou, President of the Association for Adults.

The Association for Children with Liver Diseases “George Psaras Round Table” is the National Project of Round Table Cyprus, and 41 Club Cyprus is proud to support this important initiative and its efforts to improve the lives of children and families affected by liver diseases.

Their words of appreciation for the longstanding support of 41 Club Cyprus were deeply valued and reminded us that service to our community remains one of the most important values of our organisation.

We extend our sincere thanks to Savvas Sarris for his dedication and contribution throughout his year as President, and we warmly welcome Elias Kokkinos and his new Council, wishing them a successful and inspiring year ahead.

As one President hands over to another, the journey continues, new goals are set and new memories are created.

Presidents change. Councils change. Years pass.

But friendship remains. The family grows. And the story continues.

41 Club France : "les voiles de l'espoir" / "Sails of Hope".

This impacts children affected by serious illnesses such as cancer.

A new edition of Les Voiles de l'Espoir / Sails of hope: 25 years of existence and joy.

For this new edition, taking place from 6 to 13 June 2026, our friend Marc Dominique TRAMONI (a member of Club 41 Ajaccio, Impérial 353) and his partner Graziella BOZZI, supported in the run-up by Arnaud CAMPION (a member of Club 41 Calais, CAC 327) and Hugo SIMANCAS (a member of Club 41 Toulouse 68), have once again gone above and beyond by organising this 13th edition in record time (5 months) to give these children a moment to escape their everyday lives, to provide them with an unforgettable adventure - a truly therapeutic week that enables each child to regain the self-confidence eroded by their illness.

As in previous years, this year's event brought together 35 boats, nearly 500 people – including around 60 children - 60 volunteers and more than 300 participants for a route stretching from Saint-Raphaël to the Principality of Monaco, via Agay Bay, Cannes, Villefranche-sur-Mer and the Lérins Islands, with a themed evening at each stop bringing together over 500 people.

Well done, Graziella, well done, Marc Dominique, and thank you to the sixty volunteers throughout the week, not forgetting the Quatalagor participants (60 per cent of the 41 taking part in this edition), who bring to life this, the world's largest charity sailing event for children with cancer.

'Together, let's brighten their week to light up their future'

André Parron

Président de région 9

41 Club France

From Mauritius with love

At the AGM of 41 India

Dear Convenor Lulia, Tridib and the entire organising team

Congratulations on the excellent performance, deliveries and success of this AGM. It has been an honour and pleasure to travel to Bhubaneswar and be part of this AGM.

My presence here has given me the opportunity to see old friends and make new ones. I carry back with me the moments of this fellowship that will turn into memories and that I will cherish for many years to come.

You all keep well and hope to see many of you soon.

Thank you

Pravin

Education Project in Morocco

A Joint Community Action in the High Atlas

Club 41 Marrakech 7 and 8 and Tangents Marrakech Morocco 1 are joining forces and combining their energy around a deeply human solidarity project in the Moroccan High Atlas.

Our ambition is simple yet essential: to give children the means to believe in their future and, above all, to enable young girls to continue their education and build their own path in life.

Through this initiative, we aim to provide concrete support to local communities, children and the educational sector, acting where even small gestures can truly change a life.

The project includes:

Bringing together members of the three clubs around a joint initiative reflecting our shared values of solidarity, commitment, fellowship and community service.

Distributing schoolbags and school supplies to children in the region, helping them begin their school year in better conditions while sending them an essential message: their education matters, and their future matters to us.

Launching a sponsorship programme for girls attending the Asni residential home, enabling them to continue their education under the best possible conditions.

Providing educational materials to preschool teachers, helping create a more suitable and stimulating learning environment for young children.

Education Project in Morocco

contd...

Giving Girls a Chance to Choose Their Future

Beyond material support, our initiative carries a much deeper message.

We want to help keep these young girls on the path of education.

For some of them, continuing their studies is not a given. From adolescence, and particularly around the age of 14, there is a risk that they may leave school and be married at a young age.

That is why we want to mobilize every person and organization willing to support the sponsorship and continued education of these young girls.

Every contribution can represent far more than financial assistance:

It can mean one more year of school, one door that remains open, one dream that continues to live.

We are therefore open to any contribution, sponsorship, material support or human assistance that can facilitate access to education and, above all, ensure that these young girls can continue their schooling.

Because a girl who stays in school is a young woman who retains the possibility to choose her own future.

Our Commitment

Beyond material support, this initiative is an opportunity to build lasting relationships with the local community, support younger generations and contribute to an environment that promotes education, development and personal growth.

Club 41 Marrakech 7 and 8 and Tangents Marrakech Morocco 1 wish to unite their resources, energy and dedication around a cause that goes beyond the boundaries of our clubs:

To serve the community, protect access to education and give every child and especially every young girl the opportunity to believe in her future.

Because a schoolbag can help a child begin a school year. But an education can change an entire life.

Nepal Events & Activities Report

PROJECTS

- Health Talk Programme (5 June 2026): Jointly organized with Round Table Nepal (RTN) at Holiday Inn Express, Kathmandu; attended by President 41er Pankaj Jalan.
- Blood Donation Camp (22 June 2026): Jointly organized with the Round Table Family at Lord Buddha Education Foundation, Kathmandu. Attended by President Pankaj Jalan, Secretary Mahendra Agrawal, Treasurer Rajesh Tulsyan, 41er Kanhaiya Mittal, and 41er Rajiv Bajoria, along with RTN, Tangent, Ladies Circle, and Agora members.
